

Mr Harold Nwaboku FRCS, FRCS (Eng), FRCS (Tr & Orth)

I Trained at the UCH and Middlesex Hospitals in London and qualified in 1988

PRESENT APPOINTMENT:

Consultant Trauma & Orthopaedic Surgeon at Barnet General Hospital. I have a weekly operating list and busy fracture and Orthopaedic clinics in which I receive a large number of referrals for my special interests

Specialist interest:

Primary and Revision hip and knee replacement

Hip and knee arthritis treatment in under sixty year olds

Hip resurfacing

Hip and knee arthroscopy

Small-incision hip replacement

Knee ligament reconstruction

Musculoskeletal injuries

Registrar training came from:

THE NORTH THAMES ROTATION

REGISTRAR ROTATION IN ORTHOPAEDICS AND TRAUMA

I have had the privilege of working for internationally recognized and well respected orthopaedic surgeons during my six year rotation.

My orthopaedic rotation was through The Chelsea and Westminster and Royal National Orthopaedic Hospitals at Stanmore

I am clinical tutor to the GP trainees and junior doctors and lecture to the undergraduate medical students.
