

Curriculum Vitae for Mr Guy Michael Webster

MB ChB FRCS (Urol) FEBU

Consultant Urologist

Consultant Urologist at Barnet and Chase Farm NHS Trust in North London since September 2002. I also have Honorary Contracts at Northwick Park and The Royal Marsden Hospitals. I am the departmental lead for Audit and Clinical Governance and have a strong interest in the training of Junior doctors and Surgeons for whom I am an educational Supervisor.

Special Clinical Interests include kidney stones and cancer , laparoscopy and endoscopic Urology and paediatrics as well as general Urology and non-clinical interests include patient communication and safety .I have published papers and chapters on laparoscopic renal surgery , urodynamics and bladder function.

I played representative team sports in younger days and have a private pilots licence. Now with 3 children under 4 including twins my hobbies have become focused more at home! When I am able to return to it, I hope to revive my longstanding interests in travel and sailing. I still follow cricket and rugby closely.

Educated at Marlborough College, I qualified in Medicine from Birmingham University in 1988 and trained in Surgery in Birmingham, Stoke, Worcester, and Leeds. I was awarded my Surgical Fellowship in 1992 .I was the youngest appointed Urology Specialist Registrar , was awarded the Guy Baines Medal and obtained my Urology qualification in 1998 at the age of 33 followed by the European Fellowship . A Clinical Fellowship in Laparoscopy and Oncology in Brisbane in 1999/2000 followed for which I was awarded 2 Scholarships by the College of Surgeons of Edinburgh .

I passionately believe in patient-centred care , am a member of the British Association of Urological Surgeons (Oncology and Endo-urology) and work privately at the BMI North London and Kings Oak Hospitals in Enfield , North London and both the Princess Grace in Nottingham Place and London Clinic in Harley Street , West London .
